

Notice of External Antenna Installation

Property Owner: \_\_\_\_\_

Lot No. \_\_\_\_\_

Property Address: \_\_\_\_\_

Type of antenna to be installed: \_\_\_\_\_

Date to be installed: \_\_\_\_\_

Location of installation: \_\_\_\_\_

Will the antenna not be visible from the street or the golf course? \_\_\_\_\_

If visible from the street or golf course, is landscaping planned that will hide it from view or will it be painted to blend in with the background? \_\_\_\_\_

(As usual, approval for additional landscaping must be obtained from the Architecture Committee.)

Will the antenna be below the roof-line of the home? \_\_\_\_\_

Will the antenna not interfere with your neighbor's golf course or other views? \_\_\_\_\_

If the installation will not be in accord with the above guidelines, explain how compliance would delay installation, increase installation cost or provide an unacceptable signal level.
