

MVMA – Meridian Valley Maintenance Association **Playground Equipment**

Subject: Installation of Playground and Recreation Equipment

The following guidelines are provided by the Board of Directors for the use of the Architecture Committee in considering requests from residents for the installation of playground and recreation equipment.

- All equipment installations require Architecture Committee approval.
- The equipment should not be located in the front yard facing the street.
- Basketball backboards may be installed on the house or garage and may be visible from the street.
- All equipment must be maintained in a good state of repairs.
